

September is NATIONAL PREPAREDNESS Month.

Who We ARE.

The Leominster Office of Emergency Management (OEM) is a volunteer organization. During an emergency, trained OEM volunteers' spring into action!

The role of the OEM is to coordinate activities in response to and recovery from threatened or actual natural disasters, acts of terrorism, or other man-made disasters.

During non-emergencies, volunteers support the City of Leominster with various planned public events.

**FREE event, snacks, and prizes
with a guest appearance by Smokey the Bear!**
